# Important Reminders

The Wilston Kids Care Vacation Care experience is designed to provide your child with a fun and engaging opportunity where they can enjoy their school holidays and learn along the way. Vacation Care offers your child a variety of opportunities to develop social skills, build relationships and engage in experiences unique to Outside School Hours Care.

During Vacation Care the children have the ability to engage in multi-age play during the day. Siblings can choose to play with one another if they wish. The Vacation Care Program is designed to cater for all children's developmental abilities, and interests and is child focused to cater for an array of ages from Prep to Grade 6 (4-12 yrs).

You can find instructions on how to book on our website at: <https://www.wilstonpandc.org.au/vacation-care>

## Sun Safety Reminders

The Service has a strict Sun Safe Policy which must be adhered to whilst at care. Staff and children are required to wear sun safe broad brimmed hats that protect their face, neck and ears. When outdoors, staff and children will wear sun safe clothing that covers as much of the skin as possible (especially the shoulders, back and stomach).

Sunscreen is supplied at the Service and is applied throughout each session. We strongly encourage parents to apply to their child upon arrival or before they attend Wilston Kids Care.

### WHAT NOT TO WEAR

- Midriff, crop, singlet tops or sleeveless dresses that don't provide enough sun protection and therefore are not permitted.
- Baseball caps or visors do not provide enough sun protection and therefore are not permitted. Please ensure your child wears a brimmed hat.

## Carnival Ride Disclaimer

On Monday 13th December 2021, at our School's Out for Summer Day, Wilston Kids Care will have a wipeout game-ride at the Service for all the children to access. By booking your child into Wilston Kids Care on this date (13/12/2021) you understand and acknowledge that your child will be granted your permission for the opportunity, if they wish, to experience the mechanical wipeout game-ride. If children don't want to participate in the ride they do not have to.

## Meal Times During Vacation Care

At Wilston Kids Care we encourage a healthy lifestyle by engaging children in physical activities and discussions around nutrition.

Breakfast (6:45 am - 7:45 am) and Lunch (only) are provided at Vacation Care each day. Families are required to supply their child's morning and afternoon tea. Please provide sufficient portion sizes as children are very active in their learning and leisure during the Vacation Care Program.

Please refer to our website for a copy of the Vacation Care Menu: <https://www.wilstonpandc.org.au/vacation-care>

## What to Bring to Vacation Care

- Closed in shoes (No sandals, thongs or wheelie shoes)
- Spare clothes (No singlets)
- Sufficient Morning and Afternoon tea sized portions
- Broad Brimmed Hat (No Caps)
- Individual Water bottle.

**Please make sure all these items are labelled with your child's name**

# Excursions & Swimming Summary

## Vacation Care Permission Forms

If you have booked a Vacation Care Day that has an excursion or swimming session, you will need to submit a permission form. This is an easy, quick form on our website that is sent directly through to the Administration team. This is required under the National Law and Regulations otherwise your child cannot attend.

Any booked days that require permission forms (listed below) MUST be submitted the same time you make your booking. If forms are not submitted, then children will not be able to attend this day and the booking will be rejected. Wilston Kid Care is unable to chase outstanding permission forms as we have a number of families to support across the Vacation Care period. Please click the link below to access the permission form.

# RISK MINIMISATION MEASURES FOR COVID-19

- Anyone (staff and children) who is sick with influenza-like symptoms, even with mild symptoms, must not attend Vacation Care. This measure protects everyone on site. If we suspect your child is unwell or has a temperature, they will be sent home immediately.
- If a child or staff member becomes ill while they are at Wilston Kids Care, they will be sent home as soon as possible. Whilst waiting for collection by their parent or guardian, the symptomatic child will be cared for in an area that is separated from other children at the Service. This is to prevent the spread of respiratory viruses. Pick up must be prompt to ensure the health and safety of the remaining children and staff.
- Strict hygiene practices for staff, children and visitors are in place. Washing hands frequently is the single most effective way to reduce the spread of germs that cause respiratory disease. Alcohol-based hand gel is a suitable alternative. Please sanitise your hands before using the Kiosks and upon entry to the Service.
- Social distancing measures will be in place during all talk times and mealtimes. We will ensure smaller groups of children are spread out across the campus in various areas for play times.
- We will ensure robust infection control and cleaning and routine environmental cleaning procedures are in place and are occurring regularly throughout the day.
